Well here at Paragon Gymnastics, you and your child are sure to have an ultimate experience that will surpass all of your expectations.

FROM START TO FINISH

Party Length: One hour and a half (1 ½)

One - half Hour in The Party Room (1/2)

The party begins as our safety certified instructors lead a brief warm-up. Next, the entire gym is utilized and each child experiences all of **our 5 gymnastics circuits:** (Tumble-Trak, Rope Obstacle Course, Vaulting, Balance Beam, and Trampoline). For the ultimate experience, the children also enjoy **the Trampoline Spotting Rig.** Our *fully*

trained and caring instructors give the children the time of their lives as they enjoy the awesome experience of the trampoline-spotting rig. A cool-down finale completes the first hour with parachute fun or Line Dance Activity. In addition to all of the festivities, the

birthday child receives a birthday certificate and will have their handprints taken with one of the various colors of paint to choose from. One handprint will be placed on our birthday wall and the other will be given to the birthday child on laminated decorative paper to enjoy.
